

BOARDING INSTRUCTIONS

We are so happy that your pet will be visiting us while you are away! However, we do have some rules that we must follow to ensure the health and safety of all our guests.

FOR OUR CANINE FRIENDS:

1. Dogs must be current on ALL vaccinations. That is, they must have had their distemper/parvo vaccination (DPP/CV) within the last year. They must be current on their rabies vaccination. We also require them to be vaccinated against kennel cough. Kennel cough is caused by Bordetella sp. and results in infectious bronchitis that is highly contagious. If your dog did not get its vaccinations at our clinic you **MUST** bring proof of vaccination. This includes a rabies certificate and other vaccinations certificate from your veterinarian.
2. Your dog must have had a negative stool sample within the last year. He/she must be tested free from intestinal parasites.

FOR OUR FELINE FRIENDS:

1. Cats must be current on ALL vaccinations. They must have had their upper respiratory complex vaccination (FVRCP) within the last year. They must also be current on their rabies vaccination. If your cat did not get its vaccinations at our clinic you **MUST** bring proof of vaccination from your veterinarian. This includes a rabies certificate.
2. Your cat must have had a negative stool sample within the last year. He/she must be tested free from intestinal parasites.

FOR ALL BOARDERS:

1. We run a flea free motel. Your animal will be checked for fleas before it is allowed into the guest rooms. If we find fleas, we will decline boarding. You may want to give your animal flea treatment before it comes in to avoid this possibility. Our strict requirements are for the health and protection of all our guests.

MAKING SURE THAT YOUR PET HAS EVERYTHING IT NEEDS BEFORE IT COMES IN IS YOUR RESPONSIBILITY! PLEASE CALL OUR CLINIC IF YOU NEED TO VERIFY THAT ALL IS IN ORDER. YOUR PET WILL NOT BE ALLOWED TO BOARD IF IT DOES NOT MEET OUR REQUIREMENTS...NO EXCEPTIONS! Please don't leave this for the last minute.

- While your pet is here you can expect us to feed according to your schedule. You are welcome to bring your own food, but we do provide both canned and dry Purina Proplan brand food (you must provide home cooked food).
- Pets are monitored 24 hours a day.
- Their quarters are scrubbed and disinfected every day and the linens are changed daily.
- Dogs are walked a minimum of three times a day.
- PLEASE make us aware if your pet has a medical problem that we need to monitor closely.
- We will love them, pet them, and play with them as if they were our own.

The hours when your animals may be admitted or discharged are very specific. If you are dropping off or picking up your pet over the weekend, we must also know the exact time you will be doing so. The boarding drop off and pick up times are listed below:

Boarding Drop Off/Pick Up Times	
Mon-Thurs	Between 9 am and 6:30 pm
Fri	Between 9 am and 4:30 pm
Sat	Between 9 am and 12 pm, at 6:30 pm
Sun	At 8:30 am and at 6:30 pm
